One-Day (3 hours) Online Workshop on “Understanding SRVA, SNRR Accounts and Rupee Invoice-based Settlements” on 16-Oct-2026

LAST DATE OF RECEIVING NOMINATIONS IS 14-Oct-2026

We are pleased to inform our members that we will be organising an online workshop on “**Understanding SRVA, SNRR Accounts and Rupee Invoice-based Settlements**” under **Knowledge Initiative Series 2026**. This workshop will be conducted through Online Webinar Platform. The details of fee and time schedule are in the annexure below.

BACKGROUND

As India's share of global trade and investment grows, making the Indian Rupee an international currency has become a stated policy goal. Invoicing and settling cross-border transactions in INR lowers the dependence on major foreign currencies. It also cuts conversion costs, lowers exchange risk for Indian exporters and importers, and helps trade with countries that are short of foreign exchange. To support this, RBI created a framework for invoicing, payment and settlement of exports and imports in INR. With more INR-denominated business coming in, a workshop is proposed on the regulatory framework, operating rules and compliance requirements for these accounts meant for bank officials who handle trade finance and forex operations.

OBJECTIVE OF THE WORKSHOP

To train the bank officials on Rupee Internationalisation and settlement.

TARGET GROUP

The target group will be bank officials either managing front line desks or handling Foreign Trade / Foreign Exchange business at branches/offices including the processing centers, and officials from Regulatory Reporting / Compliance teams handling RBI reporting.

TOPIC COVERAGE & FACULTY

The workshop will cover the related topics in detail, utilizing presentations, discussions, illustrations, and case studies, followed by a Q&A session. The sessions will be led by an experienced faculty from FEDAI or faculty identified by FEDAI.
